Hi, I'm Michele Gubish. I blend my training and experience as a massage therapist, physical therapist assistant, certified personal trainer, corrective exercise specialist, and integrative health practitioner to help relieve muscle soreness and pain, find the source of the pain and teach you how to keep it from coming back. I also recognize the need to calm the nervous system through relaxation massage and Reiki energy work. Call today and let's build a custom session for you and your needs and talk all things health and wellness.
